Genre of book / Word Count # __

TITLE OF YOUR STORY

by

First Name Last Name

Begin your story about here. Double-space the text. Use 12-point Times New Roman font. Have 1" margins all around. Try to end the first page at a point where the reader will want to turn the page to see what happens next. When writing a picture book, do not describe illustrations *except* when an illustration is essential to understanding a plot point.
